Event Programme:

Timing	Session Content
8:50am	Event opens (waiting room)
9.00 – 9.10	Event Opening - Opening Remarks
9.10 – 9.40	<p>PRESENTATION #1: Understanding headless payroll: The rise of open technology Imagine having the freedom to select the ideal payroll experience for your team, independent of your processing engine. Join Datapay's Principal Architect Alex Corkin as he delves into the emerging trends of open standards and protocols in payroll technology, exploring what these trends entail, how they might apply to organisations, and their potential impact.</p> <p>Speaker: Alex Corkin, Principal Architect, Datapay powered by Datacom</p>
9.40 – 10.10	<p>Presentation #2: A Decade of Payroll Technology – What’s hot and What’s not</p> <p>Speaker: Gabriella Barbara, Account Director, Fusion5</p>
10.10 – 10.25	Morning Tea

Timing	Session Content
<p>10.25 -10.55</p>	<p>PRESENTATION #3: A journey from hand-written wage books and cash, to AI, Machine Learning, and pay-on-demand.</p> <p>In this, I would cover what I have learned along my 20+ year journey implementing software and end with some learnings to equip payroll people to best use their skills to work alongside modern platforms and add real value to their organisations.</p> <p>Speaker: Stephan Blumenberg, Director Principal Consultant, Alxemy</p>
<p>10.55 – 11.25</p>	<p>PRESENTATION #4: Empowering Your People, Empowering Your Business: Data-Driven Insights for Workforce Success</p> <p>Whilst the presentation would not touch on new technology, it would provide a perspective on how technology is, and is not being leveraged to manage a number of important payroll commitments.</p> <p>Speaker: Peter Meafou, General Manager, Timecloud</p>
<p>11.25 – 11.55</p>	<p>PRESENTATION #5: 'Observations on the role in technology providing entitlements and managing payroll compliance'</p> <p>Speaker: Vaughan Harrison, PWC Partner</p>
<p>11.55 – 12.25</p>	<p>Presentation 6#: How Software Providers Collaborate with the Government for the Benefit of Payroll Professionals</p> <p>Speaker: Paul Orford, Director of Digital Service Providers Australia and New Zealand</p>
<p>12.25 – 12.30</p>	<p>Event Close – Closing Remarks</p>
